Our mission and vision

- Our vision is that all babies have a sensitive, nurturing relationship to lay the foundation for lifelong mental and physical health
- Our mission is to support the growth and quality of specialised parent-infant relationship teams across the UK

Enabling and expanding specialised parent-infant relationship teams

Promoting evidence-generation and quality across the network of parent-infant relationship teams

Giving babies and the services that work with them a clear and compelling voice that shapes the national and local policy and practice agendas

The Parent-Infant Network

The Parent-Infant Network is for **all specialised parent-infant relationship teams around the UK**. Every individual within each team is welcome and invited to join.

A good start.....

- Gather together a group of allies and create thinking space
- Clarify language (infant mental health, parent-infant relationships, perinatal mental health, maternity, CAMHS, neonatal)
- Design a service which is 'locally intelligent' based on strengths and gaps
- Build a direct relationship with commissioners
