An introduction to the **Parent- Infant Foundation**

- **Over vision** is that all babies have a sensitive, nurturing relationship to lay the foundation for lifelong mental and physical health
 - **Our mission** is to support the growth and quality of specialised parent-infant relationship teams across the 
-
- UK

Our goals 2022-23

1. 42 + Parent-Infant teams & support offer to meet growth.
2. Reports published which evidence the impact of teams on families.
3. UK Governments acknowledge there should be specialised parent-infant provision as part of state services.
4. Successful fundraising plan and a great place to work.
5. Reviewing our strategy.

**Our ongoing
support to you.**

The Development Team

Michela Biseo

- **Interim Clinical Advisor** – clinical input into guidance, development work, policy & research

Wook Hamilton

- **National Development Manager** – key point between teams and development needs in England, NI & Wales

Lucy Morton

- **Scotland Development Coordinator** – development network across Scotland & support for two local boards.

Gemma Higgins

- **Development Officer** – organizing our events, meetings, forums and everything we do!

Their FOCUS

1. **Ongoing:** Resource library & toolkit, peer to peer forums & webinar (alternate months) + 2 network events & newsletters.

2. **New:** Self audit tool + Scotland development learning for our toolkit incl. literature review.

3. Commissioners' priorities – **Newcastle University partnership.**

4. Outcome measures – **Blackpool Better Start.**

5. New e-training modules in Perinatal & Infant Mental Health for professionals – delivered by **HEE.**

**Scaling up bespoke
support to existing,
new and emerging
teams and services
-interested?**

Generating & collating **evidence**

1. Greater Manchester partnership
– clinical outcome data from 9 teams
2. Common data set: collection from across the network (size of network, demographics, and outputs)

'Gentle reminder here'

3. Publish a summary of 1 & 2 but also existing published service evaluations & data. **'And gentle**

Raising awareness
– Infant Mental
Health Awareness
Week 13-19 June
2022

1. Communications pack for teams:

- Help you to raise awareness of impact of trauma locally – press release? Events?
- Remind local network about you and how to refer, what you do and how it works.
- Find yourself a champion (MP/Councillor/comissioner)

2. Other assets: film, infographic

**Reviewing our
strategy – how do
we reach more
babies?**
